I don't have a 5 o'clock shadow anymore. Soooooo Happy. Thank you Ideal Image.

Ideal Image is Absolutely Awesome! I had no idea what I was missing. I can't stop telling all my friends (even strangers) how great it is not shaving and worrying about that pesky hair! I wear my Ideal Image T-Shirt everywhere!

My daughter is 16 years old and has been constantly teased since my husband and I can remember about the hair on her upper lip. She was embarrassed all the time. We called the clinic and began treatments immediately. She is a completely changed person. You have no idea what that does for us as parents to see her so much more happy.

Incredible. I feel so clean and smooth. I love being hairless.

I remember feeling so alone and ashamed about my hair problems. I felt like I had no confidence and was afraid to do anything. Hearing your ad on the radio let me know that I wasn't alone. I'm so glad I walked through your doors. It has been one of the best things I've ever done for myself. Thank you for helping me. I love my results and new confidence.

First I had my upper lip and underarms, then my bikini, then my legs. It's addicting. Thank you, thank you, thank you Ideal Image.

My daughter and I love not having hair under our arms anymore. Thank everyone for us. No more shaving. Call me so I can schedule to have my legs done. My daughter wants her arms next. We love coming together.

LASER HAIR REMOVAL

Laser Hair Removal was something I was thinking about for quite sometime. I want to be honest and let you know that I called many different businesses about having my legs treated. I felt the most comfortable with Ideal Image. You blew them away from the moment I called you on the phone. Meeting everyone at your location was even better. The treatments and the process even made me more comfortable. I trust and recommend Ideal Image to anyone and everyone. Have a great day.

My husband and I argued about coming in to see you last month so both of us could have areas of hair on our bodies removed. He has not stopped apologizing ever since. He thought you all were very "cool" and easy to speak to. I had to send you this to let you know you all are "cool." I love my legs and he loves the back of his neck. It cracks me up cause he is telling all of his guy friends to call you. Have a great holiday.

I wanted to let you know and that I have to admit, I was a little nervous before coming to you for my consultation last week. I really didn't know what to expect. I knew absolutely nothing about how you would help me to stop shaving. Wow, that changed from the moment I walked in the door. Everyone was so nice. I learned so much last Wednesday and I wanted to let you know that I am so excited for my first treatment. Thank you for being patient with me by answering all of my questions and making me feel so comfortable. I can't wait to see you. Have a great day.

I wanted to thank your staff and to let you know that I have never felt more comfortable in any environment than I experienced at Ideal Image. The fact that I don't have to shave anymore is wonderful in itself, but that I trust your staff and could not feel any more confident when my treatments are taking place. I know I am in good hands and I wanted to thank everyone. Have a great Summer.

I was always conscious of my hair on my back, but no one ever knew. I finally got the urge to reach out to Ideal Image to see what you were all about. I cannot tell you how happy and more confident I am. I can now go to the pool, beach or park and take my shirt off and I have no worries. That is more than a load off of my chest. Bravo Ideal Image.

I had to send you this message to tell you that I don't miss tweezing my face on my way to work each day. Just writing you this note brings nothing but a smile to my face. Please tell everyone thank you so much for caring about me.

The gift certificate I received for you from my best friend was the best gift I received for my birthday in September. I will be able to enjoy this gift forever. Love not shaving.

I heard your advertisements on the radio and decided to call. I have been very happy with my treatments and I love that each of your staff recognizes me by name whenever I come in. Thank you. That means a lot to me. Enjoy the card.

A friend of mine mentioned to me that I needed to contact you cause she just had her bikini area treated and that she was more than pleased with the results. How fast can I come in? I am more excited to get this started than I think I was when I got married.

I want to scream to all the men out there, Get That Hair Off Your Back. Worry no more! You have made me a changed man.

I am now Eco-Friendly more than ever. When I realized how much water I was wasting shaving each day, I immediately called Ideal Image. I am now out of the shower faster than my husband. HA! And no 5 o'clock shadow...EVER! I love Ideal Image and would recommend it to everyone.

Please tell everyone thank you. I wouldn't go anywhere else but Ideal Image.

I wanted to take this time to send you a note. My wife no longer nags me about the hair on my neck sticking out of my shirts or calls it out to me when it is sticking above my collar. I love her more than anything, but that would always drive me nuts. No more nagging. Reaching out to you was the best thing I have done in a very long time.

R.C.

I never realized how much money I was spending on shaving and waxing. I cannot tell you how great it is to never have to worry about that again.

T.T.

My husband has fallen in love with my legs all over again. It's been fantastic. Thank you Ideal.

C.K.

My wife gives me more massages on my back and neck now. She is not afraid of the hair cause it isn't there anymore. Go Ideal Image!
